

Instructions for LUMC Youth Group Dinners

Please prepare dinner for approximately 20 people. If the numbers are different we will let you know before the Sunday you are assigned. If you are signed up with another family, please coordinate with them.

Meals are usually served around 6:45 p.m. If you come at 6pm when your youth comes that will give you time to prepare. It is the responsibility of the meal providers to leave the kitchen clean after the meal.

In an effort to be good stewards of our environment, we make every effort to use the church dinnerware, silverware and glasses, washing them in the dishwasher. The instructions for the dishwasher are on the wall next to it on the left. There are also several adults and youth who know how to operate it. For those times when real dinnerware is not an option, the church furnishes paper goods: plates, cups, soup bowls, napkins and utensils. They are located in the closet in the hallway behind the kitchen.

Dinners consist of an entree, salad, bread or chips, dessert and drinks. Choice of entrée is completely up to you, but might be tacos, spaghetti, burritos, pasta, lasagna, baked potatoes, soup, stew, hot dogs, sloppy joes, pizza, Chinese chicken salad, taco salad, or casseroles. We do have some young people who are vegetarian, so please try to accommodate them. It's always a good idea to ask your youth what they would like you to prepare.

You may use any of the equipment in the kitchen. However, the ovens tend to run hot, so setting them about 25* less is a good idea. Also, we cannot use the stove for fried or grease-laden foods.

Happy Cooking and Thank You for Supporting the LUMC Youth!
