One-hour tours begin every 15 minutes. Entertainment & Refreshments provided while you wait.

The Bethlehem Experience is a step back through time. Tour Guides will lead groups of about 10 people through the marketplace of Bethlehem on the night of the Messiah's birth.

The Bethlehem Experience is a feast for the senses: the smell of exotic spices, the festive sound of music, the sight of robed and sandaled merchants in their stalls, the taste of freshly baked unleavened bread, and the soft feel of flaxen "swaddling clothes".

The Bethlehem Experience is a gift to the community from Lafayette United Methodist Church.

The Bethlehem Experience is a social event that emphasizes the spiritual meaning of Christmas.
